Dear Resident,

The Annual Report on the County's Waste Management shows approx. 400,000 cubic metres of landfill space are used each year and more than 100 hectares of land has been reclaimed since 1974 and is now in use for farming. The C.C. is responsible for leasing and monitoring over 100 public and private waste disposal operations with the volume of waste rising each year. Over the past 12 months over 110,000 tons of soil and hardcore have been disposed of. Approx. 40% of waste collected by District Councils is disposed of by private contractors at their tipping sites, the remainder going to C.C. landfill sites such as the one at Milton which takes some 125,000 cubic metres of waste per year with sufficient space for another two years after which the site will be returned to agricultural use. At present there are some 2,800,000 cubic metres of landfill space available for the County's use with further sites being examined to add to the reserve. There has been a considerable increase in industrial waste received during the last year, this with salvage, reclamation of glass, waste oil, scrap metal etc. brings in a substancial income to the County. Also being looked at is the possible sale of methane gas which is generated for a number of years after sites have been filled. The County under the Pollution Act also has a responsibility for the licencing of sitesto control polution and danger to public health.

I am pleased to be able to report that the Community Education Working Group at its recent meeting approved the capital expenditure of approx. £120,000 on the improvements of Community Facilities at the Community School. This work will be undertaken at the same time as the school extensions and the new library. The D.C. are also being requested to make a provision for floodlighting on the new playground area.

The County's Transportation Committee have approved a proposal to include in its capital programme for 1990/91 the provision of a north facing slip road on the M11 at the Madingley Road Interchange. This is designed to improve access to the Madingley Road and the west side of the city and reduce traffic using the Huntingdon Road. The estimated cost of this work is in the order of £1.2 million.

If anyone wishes to contact me for any reason please either telephone 'Careline' on C.H. 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

BAR HILL CRICKET CLUB

The mid-week league against local sides has been enjoyable with us losing to Willingham by one over, beating Madingley by 2 overs and only just losing to Somersham by 6 runs. We lost two friendly matches against Yelling and Alconbury Weston (both away) but won convincingly against a Prudential side at home. The bowling and batting of Ian Dunk has to be seen to be believed, our opening batsmen of Niall Dunwoody and Steve Williams is consistant and demon Des Cornwell's accurate bowling has been a great asset to the team. We can get better and we will!!!

July fixtures:-	Wednesday July 6th, 6.15pm	Somersham	Home	Mid-Week League
	Wednesday July 13th, 6.15pm	Chatteris	Away	Mid-Week League
	Sunday July 17th	Annual BH Inter-Church Match		
	Sunday July 24th, 2.30pm	Yelling	Home	Friendly

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 16th June at the Old Farmhouse.

Bridleways: Bar Hill - Dry Drayton
Councillor Hall reported it is likely that the County Council will improve the bridleway along the Drift by digging out the ditches and improving the surface and giving it a cumber. This work would take place later this year.

40 m.p.h. Experimental Speed Increase - Perimeter Road
County Councillor Reynolds advised that the County Council were carrying out the legal procedures involved in the implementation of this experiment. He also asked that, although only objections had been requested, it would be most useful if supporters of the scheme could also write to the Director of Transportation at Shire Hall to show the "local feeling".

Cambus
Councillor Reynolds offered to invite Mr. Steel of Cambus to an Open Meeting in the Village so that he could hear the views of residents using the buses with regard to them travelling in a clockwise direction around Bar Hill. The Parish Council agreed that this would be an excellent idea.

Village Notice Board
The Residents Association representative reported that the siting of the Village Notice Board had been suggested as outside the new library. This was felt to be an ideal place by the Parish Council.

Wilcon Homes - Watermead
A meeting had been held between a representative of the Planning Department, S.C.D.C., Councillor A. Green and the Clerk. This was to ascertain the proximity of the later phase of houses to the ditch. During this meeting it was revealed that Wilcon would not finish the site for a further year. The Clerk was requested to ask Wilcon to tidy the site, especially in view of the fact that work will be carrying on for such a length of time.

Balancing Lake
Councillor Green, Councillor Webb and the Clerk had attended a meeting with J. Kew Countryside Officer and Dr. C. Spray of A.W.A. to discuss the possibilities of improving the ammenity/wildlife interest of the Balancing Lake. Mr. Kew had presented the Clerk with his suggested proposals to be further discussed by the Parish Council.

WHAT IS A PLAY AREA IN BAR HILL? A green area for all residents to walk round and enjoy but not for children to play on? All over Bar Hill children are turned away from designated play areas by residents who are often rude and abusive yet who expect the children to remain quiet and polite. On Bank Holiday Monday we had friends to supper and the children went out to play. After a while they returned, very indignant, because someone had snatched their ball. They insisted thay had remained polite and had not been hitting the ball against anyone's fence. 'Football's not allowed on Sundays' was what they had been told! What I really would like to know is what these people expect of the children. I do not want them damaging anyone's property with their games, but in a village where vandalism is already a problem is it not better to encourage children to take up sport? The total lack of sporting facilities or youth club does not help, and clearly the village green would be totally inadequate if all children were sent there to play. We were told the children were 'spoiling a neighbour's quality of life' by playing nearby but it seems to be acceptable for neighbours to have smelly bonfires. A little give and take - mutual co-operation would be extremely welcome. The population of children in the village is growing - they have to be able to play somewhere - children have rights too.

Jennie Barker
Hollytrees

P.S. A reply from the Parish Council to a letter about play areas read:

"...under no circumstances can children be turned off a play area and no-one has a legal right to withhold a ball from a child if it has been accidently thrown/kicked into that preson's garden. I have, in fact, been in contact with P.C. Turney on this matter and he is quite emphatic that the children should play on the designated play area and not on the road, regardless of any complaints from surrounding residents." This letter was signed by the Clerk to the Parish Council and is dated 18 June 1986.

BAR HILL RESIDENTS ASSOCIATION

We hope everyone enjoyed themselves at the Fete and some won a prize on the Tombola! We will let you know amounts raised in the next issue but grateful thanks to all those who helped before and on the day in many ways to help make the day successful.

The money raised from this Fete and from last years events is going towards new play equipment that we are hoping to put on the play area on the village green.

We meet on the second Monday of each month at the school at 8.00pm and always welcome new members. We are still collecting from each house £1 and any offers to help in this would be gratefully received.

Please let us know your comments about the booklet, the fete, the village sign and any other event that happens in the village, also if you have any views regarding the Bar Hill News. Please contact the Editor or any committee member.

Bunty Waters,
Chairman Bar Hill Residents Association
